

GRAB HOLD OF YOUR FUTURE!

Trenton Public School District

Science, Math and Technology Academy

 Do you possess the necessary skills
to make your future shine?

If you are getting ready to enter into the 9th or 10th grade, then this may be your chance to begin a new path of learning and reach your dreams.

The Science, Math and Technology Academy offers students a curriculum designed to motivate individuals to reach higher and take their rightful place as the scientists, engineers, and thinkers of the future.

To request application, please call Bocary Bandeh at 609-656-4900 EXT 5711 or 609-858-8069

Enrollment is growing quickly and
space is limited!
